To The clerk of the court I asked the law library here at DCC to send me 7 U.S. marshal form for my case 1:05-CV-00549 KAT so I can have to fill out, The law library tells me to show them the requesting form, I do not have to show them anything if I ask for it, I told the court before about how the law library tries to find out what is going on when it is my right to have my information Private, I am also sending the later I sent to the law library with there response and if it is possible could you have this corrected I also told the court about my mail not going out which I still have that was to go to the court and telling the court in other later's about how I have been interfeered with, So I ask the court to do something about this thank you. As well I only wanted the forms so I could have them ready.
